

Mail service prescriptions

Blue Shield of California provides access to the mail service drug benefit through CVS Caremark Mail Service Pharmacy™. It offers you the convenience of receiving up to a 90-day supply of covered maintenance drugs,* delivered to your home or office, with no charge for shipping. Using mail service can save you money, too. For some plans, when you order a 90-day supply of covered maintenance drugs, you pay only for the cost of two 30-day supplies at a participating retail pharmacy. Please consult your plan and benefit documents.
