## Your CCPOA Benefits

As a CCPOA Member enrolled in the Piggyback program, this letter is to inform you to a change in your rates.

As voted on by the Board of Trustees, the Piggyback rates will change effective January 1, 2017.

2017 PIGGYBACK RATES				
	Active	Change	Retired	Change
Single	\$12.50 to \$14.00	\$1.50	\$14.50 to \$16.00	\$1.50
Family	\$24.00 to \$26.00	\$2.00	\$29.50 to \$32.00	\$2.50

In spite of rising medical costs, our Board has worked hard to keep the increases as low as possible. The last Piggyback rate change took effect January 2015.

The benefits provided by the program remain unchanged.

If you decide to discontinue your coverage, contact the Trust's Eligibility department.

Sincerely,

Michael E. Smalley  
Administrator
