# DISABILITY BENEFIT PLAN

To protect you and your loved ones, the CCPOA Benefit Trust Fund offers the **Gold Shield Disability Benefit Plan** – a plan that helps you meet basic living expenses while you are unable to work.

## COMMONLY ASKED QUESTIONS

### Who is eligible to enroll?

You are! All active full-time permanent employees and Permanent Intermittent Employees (PIEs) who are members in good standing with CCPOA are eligible to apply. This includes rank-and-file members, supervisors and managers.

*Please Note:* An applicant may be denied coverage in the Disability Benefit Plan based on prior medical conditions. There is a 2-year exclusion for pre-existing conditions (certain conditions may be subject to longer exclusion periods).

### What does the Plan cover?

The Disability Benefit Plan provides benefits if you are unable to work due to a disability that is covered under the Plan (not all disabilities are covered under the plan).

### Am I covered at home and work?

**Yes.** Gold Shield provides you with “on-the-job” and “off-the-job” disability coverage.

### Will my benefits equal my full paycheck?

**No.** Gold Shield members with non-occupational disabilities will receive a benefit equal to 67% of your base salary (when combined with other disability income for qualified non-occupational disabilities) up to the maximum benefit of \$6,000 per month.

After 24 months, if you are severely disabled (cannot perform two or more Activities of Daily Living (ADLs) your benefit will increase to 75%. However, if not, the benefit will remain at 67% if, after the second year you are unable to work at any type of employment.

## How quickly can I start using the plan after I complete enrollment?

You are able to use the plan immediately after you successfully complete enrollment. However, there is a waiting period (called an “elimination period”) before benefits begin.

With Gold Shield, benefits begin after 30 consecutive calendar days from the date you are certified as disabled. (Pre-existing condition limitations apply).

### Do I have to use my sick leave?

**Yes.** If at the end of your elimination period (i.e. the beginning of your coverage period) you still have sick leave or Catastrophic Time Bank (CTB) credits left, the plan works like this:

- You would receive the minimum Disability Benefit each month in addition to your full pay provided by your sick leave or CTB.
- When these credits are gone, your Disability Benefit kicks in—paying up to 67% of your base pay—maximum \$6,000/mo for Gold Shield.\*
- Gold Shield works in addition to disability plans offered through ARG to create additional income.

### Do I need to use my annual leave?

**No.** You may choose to use your annual leave during the 30-day elimination period, but it is *not* required.

# KEY BENEFITS

## Coverage Level

**Gold Shield\*\*** provides up to 67%\* of your base pay or \$6,000 per month ( whichever is lower) for injuries during the coverage period.

## Affordable

The **Gold Shield** premium is \$55 per month.

## 24 Month Coverage Period

This applies to both occupational and non-occupational disabilities.

Under Gold Shield, your coverage may extend up to age 65 if your non-occupational disability prevents you from working any job.

## Premium Waiver

You pay no premium for the duration of your disability under the Gold Shield plan once you have been disabled for 60 days.

## No Age-Related Premiums

Age is not an issue. Whether you are 21 or 65, you pay the same amount.

---

Benefits are contingent upon satisfying all requirements of the Plan document.

\*These benefits are offset under the Plan by certain other income benefits. Minimum monthly benefit of \$300 applies to disabilities occurring after January 1, 2018

\*\*Gold Shield provides a 75% benefit if the injury or illness is so severe that after 24 months of benefits, you cannot perform two basic Activities of Daily Living (includes bathing, dressing, toileting, transferring, continence and feeding) – for non-occupational disabilities. Some medical conditions can result in an application being denied and there are limitations for pre-existing conditions.

## Enhances Disability Leave Benefits

Allows you to supplement your base pay if you are on Industrial Disability Leave (IDL) or Enhanced Industrial Disability Leave (EIDL), by paying a minimum benefit of \$300\* per month under Gold Shield.

## Helps while your Workers' Comp benefits are pending

Participants are provided with an *Additional Provisional Benefit (APB)*, above the basic minimum monthly benefit, while your Workers' Comp case is pending.

If you win your case, the Workers' Compensation Appeals Board will award you a back-pay benefit. You use this money to repay the APB, while still keeping each month's minimum benefit. If you lose your case, and you are otherwise eligible for benefits, you keep every dime.

## Disability Plans are made to supplement your other existing coverages.

This means that Worker's Comp or NDI will not be your only source of income.
