COVERING THE MEMBERS OF CCPOA

Important Update to Piggyback Coverage

Dear CCPOA Members,

Beginning with the upcoming plan year, vision and hearing aid benefits will no longer be included in the Piggyback coverage plan. However, members will continue to have access to these services through enhanced vision coverage and hearing aid options.

Enhanced Vision Benefits

- **Active rank-and-file members:** $0 copay for WellVision Exams at VSP Premier Edge Providers. Fram allowances may also be used for sunglasses or blue light filtering glasses through LightCare. This can all take place at your VSP Premier Edge provider.
- **Retirees:** Access to VSP's Advantage Network, with eye exams, lenses, and frames available every 12 months.

Hearing Aid Access Through TruHearing

Members enrolled in the CCPOA Medical Plan and VSP coverage, along with their extended family members, have access to high-quality prescription hearing aids at low, transparent, fixed pricing through TruHearing.

You may use any hearing aid provider or schedule an appointment through TruHearing to receive discounted member pricing. CCPOA Medical Plan members may be reimbursed for hearing aid purchases up to $800 per calendar year. Claims must be submitted to Blue Shield for reimbursement.

Although these benefits are no longer part of Piggyback coverage, we have made sure members still have access to valuable vision and hearing services. The Trust Fund will continue to keep our members' needs at the forefront of our decisions.

Sincerely,

CCPOA Benefit Trust Fund
