Consolidated Benefits (CoBen)

As a supervisor, the State does not send three separate contributions for your health, dental and vision benefits. Instead you receive a single monthly contribution from the State, a "Consolidated Benefit," to help cover the cost of all three benefit programs.

The amount of your allowance is based on whether you choose coverage for yourself only, yourself plus one dependent, or yourself plus two or more dependents.

If the combined monthly total is less than your CoBen allowance, you receive the excess amount as taxable cash in your monthly pay check. If the combined monthly total is more than your CoBen allowance, you pay the difference, which shows up as a pretax deduction on your monthly pay check.

All employees are automatically enrolled in the state's vision plan. Therefore, you need to add in the cost of this coverage when calculating the total cost of your benefits. For employees in CoBen, enrollment in the vision plan is mandatory.

D Dental Programs

Retired BU6 Members have Dental Benefits through CalPERS.

Contact your Personnel Office before retirement to ensure you have uninterrupted dental coverage.

What are the Dental Options?

Here's a quick rundown...

The qualifications for State Dental coverage:

❶ You are eligible if you retire within 120 days of your separation; and, ❷ you are eligible to receive a CalPERS retirement benefit.

If you meet the above criteria, but did not enroll in a Dental Program at the time of your retirement, it is possible to join later, during the State's annual open enrollment period (usually held in the Fall for the next year).

Can I continue my CCPOA Primary or Western Dental as a Retired Member?

No. These programs are only available to you as an active member of CCPOA.

Can I add or drop family members?

Yes. You can do so when you initially enroll, during the annual open enrollment period, and within 60 days from the date a change in your family occurs (marriage, divorce, new baby).

To make changes to your dental program once you are retired, contact CalPERS.

Retired State Employees

If you are a retired State employee, you are eligible to continue enrollment in the State's Dental Program if you retired within 120 days after your date of separation and you receive a retirement allowance from CalPERS. If you are enrolled in a State-sponsored Dental Program, your personnel office will automatically submit the STD. 692 to CalPERS to continue your dental enrollment into retirement. Retired employees who did not continue dental coverage into retirement may enroll during the annual dental open enrollment period.

Other options to explore when considering retirement

- Coverage under a spouse's dental program
- Military dental and/or health coverage (Tri-Care)

Your Retired Dental Coverage is NOT Changing.

CCPOA dental programs are not currently available to Retired Members.

When you retire, and if you want to continue dental coverage, you may choose a State-sponsored Dental Program.

Your dental program changes when you retire. Your personnel specialist will help you with the transition and explain the differences between your current dental program and the State's Dental Program for Retirees.

If you are a retired State employee and have any questions regarding your eligibility, contact **CalPERS Health Benefits Services Division** TOLL FREE at: **1-888-225-7377**

Accessing Care

General care

As a CCPOA Medical Plan member, you must select a primary care physician (PCP). You will access most of your healthcare services through your PCP and pay your copayment amount. When you need preventive care, such as routine checkups and immunizations, or other non-urgent care, you should call your PCP to make an appointment.

To see which preventive services are covered under your CCPOA Medical Plan, refer to your EOC booklet located at ccpoabtf.org.

You have no copayment for preventive services.

Chiropractic care

Your CCPOA Medical Plan includes chiropractic benefits for a \$15 copayment per visit. Please note that there is a 20-visit maximum per calendar year, and services must be provided by an American Specialty Health Plans of California participating provider.

To locate a participating provider, go to blueshieldca.com/ccpoanetwork and select Alternative Care.

Urgent care

Urgent care is appropriate when a condition requires prompt medical attention – usually within 24 hours – to avoid complications and unnecessary suffering. If you require urgent care, you should contact your PCP, who is responsible for providing or arranging your overall care.

To find an urgent care center near you, log in to your account at blueshieldca.com, or go to blueshieldca.com/ccpoanetwork and select Urgent Care.

Life Insurance made just for C/Os.

Coverage for New Hires | Active Officers | Retired Members

Who's Eligible?

As an active CCPOA member under 75 and working full-time*, you can apply for coverage on yourself, your spouse, and your dependent children up to age 26. (Age may vary in other states.)

If you and your spouse are both active members of CCPOA, each of you may apply in your own right as a member, not solely as a spouse. If you do so, however, coverage may not be duplicated by applying as dependents of each other and only one of you may request coverage for eligible children.

CCPOA and CCPOA Benefit Trust Fund staff are also eligible to apply. Permanent Intermittent Employees are eligible to participate in this Insurance Plan, including Term Life Insurance and Accidental Death & Dismemberment.

When is Coverage Effective?

Your coverage will be effective (subject to approval of your application by the CCPOA Benefit Trust Fund and New York Life Insurance), the first (1st) day of the next calendar month immediately following the month for which a payroll deduction is received for the Group Supplemental Term Life premium, provided that you are actively at work and a CCPOA member on that date.

If you choose to cover your dependents, their insurance will begin on the date you become covered, or the first month following approval of your application to cover a dependent, whichever date is later, subject to deduction of the required premium.

If you are not a CCPOA member or actively working full-time when coverage would normally take effect, the effective date will be deferred until you return to active full-time work and/or become a CCPOA member.

Please Note: Acceptance into this coverage is subject to medical evidence of insurability as determined by New York Life Insurance. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required. Any exams/tests requested by the company will be conducted at your convenience and at no expense to you.

Deferred Effective Date: If you are not Actively-at-Work on the date you are to be covered under the Policy, you (and your spouse/dependents) will not be covered until the date you return to work.

When Does Coverage End?

Your coverage under this plan will terminate on:

- The date the policy is canceled; or
- The Premium Due Date on or nearest the date you cease to be a dues paying member of the CCPOA; or
- The Premium payment is not made on the Due Date.

Your dependents' coverage remains in force as long as your coverage remains in effect, premiums are paid when due, and they remain eligible dependents. An eligible spouse cannot be legally separated or divorced from the insured person.

* Includes permanent full-time (actively at work at least 30 hours per week) and PIE employees, and all R06, S06, M06 CCPOA members.

Plan Highlights

Coverage

Benefits are paid for a death occurring at any time, any place,¹ from any cause, except suicide in the first two years.

No Cancellation for Ill Health.

Once your coverage takes effect, you cannot be canceled due to a change in your health.

Accelerated Death Benefit.

Potentially relieves some of the financial difficulties associated with a terminal illness by allowing you (and your spouse, if covered) a one-time option to receive up to 50% of the term life insurance proceeds, to a maximum of \$100,000, upon being diagnosed by a physician as having less than 12 months to live.²

Conversion Privilege.

If your coverage is terminated for any reason other than non-payment of premium or cancellation of the Master Policy, you may convert it to an individual policy customarily offered by New York Life, without providing further proof of your health. Conversion may be requested at any time up to 31 days after termination of your original coverage. This conversion privilege is also available to your insured spouse and/or children should you pass away.

(See your *Certificate of Insurance* for more information).

Why You Need Life Insurance

- If you have people who depend on you or your income, you need life insurance.
- Life insurance helps plan for your dependents' future financial needs, even if you're not around.
- You get homeowners insurance to protect your home. Why wouldn't you get life insurance to protect your family?
- Life insurance benefits can:
 - Help pay off your mortgage or other family debts
 - Help cover ongoing daily expenses and bills once you're gone
 - If you still have family members depending on you to provide for them, having life insurance can be critical

Only For New Officers: Guarantee Issue Plan

Our Guaranteed Issue Life Insurance Program is simple. As a new C/O you cannot be denied coverage.

You only need two things:

- 1 If you are age 55 or younger, you can apply for Guarantee Issue Life Insurance coverage.
- 2 You must apply in the first six months of hire.

You are eligible for \$125,000 in coverage.

Have a spouse? You can cover your spouse for \$12,500. Coverage is available for your kids as well. When you are ready, you can increase your coverage amount by applying for additional Group Supplemental Term Life Insurance through the CCPOA Benefit Trust Fund.

Who's Eligible? The Details.

You may apply for the CCPOA Group Guaranteed Term Life Insurance program if you are an active CCPOA member, in the first six months of employment in Bargaining Unit 6 and actively-at-work at least 30 hours per week. Members (and their spouse) must be under age 55. You can apply for coverage for your spouse and your dependent children up to age 26. (Age may vary in other states.)

If you and your spouse are both active members of CCPOA in the first six months of hire, each of you may apply in your own right as a member, not solely as a spouse. If you do so, however, coverage may not be duplicated by applying as dependent spouses of each other and only one of you may request coverage for eligible children.

Can I get coverage over age 55?

Not from the Guarantee Issue Plan. Members (and their spouse) must be under age 55. Coverage up to age 75 is available through the Supplemental Term Life program for Active Members. Contact the Trust for information on this program.

1. Subject to U.S. Government regulations on restricted countries.

2. You should consult a personal tax advisor since proceeds under this benefit may be taxable.

Insurance Coverage

How Much Life Insurance Do You Need?

CCPOA presently provides each active member with basic \$20,000 group term life insurance coverage. However, your family may need more.

There is no magic formula to determine how much life insurance you should have. Many financial professionals say that you need 5-6 times your annual income in life insurance.

There are a number of factors that should be considered when estimating how much life insurance you should carry, including final expenses, children's long-term education, re-education or retirement funds for surviving spouse, supplemental income to maintain mortgage payments, etc.

Please Note: Approval is subject to medical evidence of insurability as determined by New York Life. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required.

Any exams/tests requested by New York Life will be conducted at your convenience and at no expense to you.

ERISA DISCLAIMER:

Please be aware that, depending on your circumstances and the product(s) you select, your group benefits plan may be subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

You should consult your tax and legal advisors regarding the applicability of ERISA to any arrangements addressed in this material. New York Life, its subsidiaries, agents, and employees do not provide legal, tax, or ERISA advice.

The tax consequences of benefits paid under this policy may depend on whether the employee pays for the coverage and to what extent the coverage is paid for on a pre- or post-tax basis, among other factors. Certain requirements apply to coverage offered under "cafeteria plans" subject to IRS sec. 125, including minimum eligibility and participation requirements. You should discuss with your tax advisor the consequences of buying this policy, including whether premium payments are deductible, the taxability of benefits; and whether you have met all applicable tax requirements. New York Life Insurance Company, its employees, agents, and affiliates cannot provide tax advice.

Who Will Be The Beneficiary?

Benefits for loss of life will be paid to the beneficiary you have designated. If you have not designated a beneficiary, the life benefit will be paid out according to state law.

Choosing a Beneficiary

Be sure to review and update your beneficiary information as needed. If you have not designated a beneficiary, the life benefit will be paid in equal shares to the first of your survivors in the following order: Spouse, Children, Parents, Siblings.

If there are no survivors in these classes, payment will be made to your estate.

Information about choosing a minor beneficiary.

If at the insured's death, the named beneficiary of this insurance is a minor, the laws of most states require that a parent or guardian of the minors' estate be appointed to receive the proceeds for the minor. Of course, the legal requirements of each state differ, and in some cases, New York Life may be permitted to pay nominal amounts directly to the minor beneficiary; but, as a general rule, we will require the appointment of a guardian in these situations.

We are giving you this information so that you will be aware of the delay in claims payment which may result from the need to have a guardian appointed.

If you have any question about the propriety of naming a minor as beneficiary of this insurance, you should consult your legal counsel.

Note: If you are covered as a member, you cannot be covered as a dependent of another member.

Information about choosing a minor beneficiary.

If at the insured's death, the named beneficiary of this insurance is a minor, the laws of most states require that a parent or guardian of the minors' estate be appointed to receive the proceeds for the minor.

Of course, the legal requirements of each state differ, and in some cases, New York Life may be permitted to pay nominal amounts directly to the minor beneficiary; but, as a general rule, we will require the appointment of a guardian in these situations.

We are giving you this information so that you will be aware of the delay in claims payment which may result from the need to have a guardian appointed.

If you have any question about the propriety of naming a minor as beneficiary of this insurance, you should consult your legal counsel.

What Is It?

Good question. The Trust's Accident & Sickness policies are supplemental insurance coverage that help cover the "money gap" left from any other coverage you may have.

These programs pay cash **DIRECTLY TO YOU** or to whomever you choose, and **PAID IN ADDITION** to benefits provided by any other insurance policy, workers compensation, or social security.

This is money you can use however you see fit. Groceries. Car payment. Mortgage or rent. School. You get the picture. Health insurance may pay the doctor, but it does nothing towards your other bills.

How Does It Work?

We offer two kinds of coverage: **Accident Plus**, which is accident coverage and **Shield Plus**, an injury/sickness income program. Each is separate coverage, but both work in a similar fashion, both designed to pay cash benefits directly to you when you are injured or sick.

What Qualifies?

On-the-job. Off-the-job. Any time. Any day. No activity excluded. Vault Strategies coverage through the Trust pays cash direct to you. Starting on Day One.

Is Coverage Affordable?

Coverage for **Accident Plus** comes in two tiers—Standard and Premier. If you want to save a little money, sign-up for the Standard tier coverage which costs less. The Premier tier has higher benefit amounts, while still being affordable. Both plans start at less than \$20/month.

Pricing for the **Shield Plus** coverage varies by age and how much coverage you want. Coverage amounts range from \$500–\$1,500.

What About Gold Shield?

Only the Trust's Accident & Sickness programs work *in addition* to Gold Shield.

Other supplemental policies **do not** work hand-in-hand with Gold Shield, and will **reduce** the amount Gold Shield pays to you.

Who Can Apply?

Rank and File; Supervisor; Retired

What Does It Cost?

Accident Plus: Starts at **\$14.13** monthly

Shield Plus: Starts at **\$30.50** monthly

See chart on next page

Both A&S programs pay in addition to any other benefits provided by any other insurance policy, workers compensation or Social Security.

What Am I Covered Against?

- Being struck, knocked down, or run over.
- Driving or riding in ANY automobile, bus, taxicab, truck, or any farm machinery!
- We **EVEN** cover you on a motorcycle, bicycle, in a boat or ANY recreational vehicle.
- Flying or riding in a commercial aircraft.
- At the hands of ANY burglar, robber, or by personal assault.
- We cover you for drowning.
- Fire or smoke inhalation.
- Hunting, fishing, or camping, and most recreational activities.

In other words, at work home or play, we cover you if you are hurt or sick.

**AT HOME. AT WORK. AT PLAY.
AT ANY ACTIVITY WHATSOEVER.**

AS Accident & Sickness Coverage

Accident Plus

Accident Plus covers you if you are hurt at home, work or play, 24 hours a day, 365 days a year.

Vault's Accident Plus is an accident only policy and does not pay benefits for loss from sickness.

You buy coverage in either the Standard or Premier tier. Then, if you get injured in an accident, you get paid the dollar amount of your coverage tier, directly to you.

EXAMPLE:

Joe buys the Premier Tier of Accident Plus coverage.

Joe has an accident, breaks his leg, gets an X-ray and needs to stay in the hospital.

Accident Plus pays Joe:

- \$30 for the X-ray;
- \$1,000 dollars for the broken leg;
- \$300 for each day he is confined to the hospital, up to 365 days.

What's new in Accident Plus?

- Follow-up Visit Coverage
- Rehabilitation Package
Therapy Visits Covered (Up to 10 visits)
- Sports Package Benefit
- Available for the Family
- Transportation Benefit (Ambulance, Medivac)
- Many additional enhancements
- Starting on Day One

What about family members?

Your family is eligible for the same benefits as you under the Accident Plus Family Plan. Talk with an ARG Benefits rep for further details.

Carry both programs into retirement.

There is no difference in rates or coverage between Active or Retired members.

The complete Accident Plus Schedule of Benefits can be found on our website: ccpoabtf.org

Shield Plus

Shield Plus pays directly to you when you are unable to work due to sickness or injury.

You buy monthly coverage amounts in blocks ranging from \$500–\$1,500. Then, if a doctor says you can't work due to a sickness or injury, you get paid the proportional amount of your coverage block.

Payments are sent to you or your designated recipient. There is underwriting for this policy. Some health questions do apply.

Shield Plus pays benefits up to six months, if a doctor certifies that you are unable to work.

EXAMPLE:

Joe buys a \$1,000 monthly coverage block of Shield Plus coverage.

The doctor says Joe has a bad infection/sprained ankle, and needs to stay home for two weeks.

- Shield Plus pays Joe \$500 (missing half-a-month of work = half of the monthly coverage benefit.)

What's new in Shield Plus?

- No Longer Required to Collect Disability Income:
- Overnight Stay as Inpatient
- Outpatient Surgery
- Fracture
- 0 day Elimination Period
- 6 month Benefit Period
- Available for Spouse
- Pays if a doctor certifies you are unable to work, due to any injury or illness.

What makes these different?

Both programs have unique features:

- Both pay you income benefits from the first day.
- Both programs cover you 24 hours a day, 7 days a week, 365 days a year.
- Both programs pay in addition to any other insurance, workers compensation, social security, even your disability benefit program (such as Gold Shield).

RETIRED:

Active members can transfer their coverage into retirement.

Call the CCPOA Member Line: (888) 211-6157 to set up the transfer details.

What Is Gold Shield?

The CCPOA Disability Benefit Plan (**Gold Shield**) is designed to help you with basic living expenses while you are unable to work due to a disability. Gold Shield covers long-term illnesses and injuries caused while on-or-off the job.

The plan covers disabilities from a wide range of illness, injury and disease, but there are some exclusions and conditions. *For example: a disability that results from mental conditions or stress would not be covered.*

Gold Shield Details

Gold Shield covers you both On-the-Job and Off-the-Job.

- **On-the-Job:** A minimum benefit of \$300* per month in addition to your Industrial Disability Leave (IDL) or Enhanced Industrial Disability Leave (EIDL) payments from the State.
- **Off -the-Job:** 67% of base pay up to \$6,000 per month (whichever is lower)

How Does It Coordinate?

Coordinates with income you are eligible to receive under Non-Industrial Disability Insurance (NDI), Catastrophic Time Bank (CTB), Enhanced Non-Industrial Disability Insurance (ENDI), Temporary Disability, Permanent Disability, Sick leave, and any other individual or group disability benefits (for example: disability insurance by Standard or AFLAC) to provide a combined total monthly benefit of up to 67% of your base pay.

The Trust benefits will in no event exceed \$6,000 per month or be less than \$300 per month.*

**Minimum monthly benefit of \$300 applies to disabilities occurring after January 1, 2018.*

Disability Benefit Plan benefits provided by the CCPOA Benefit Trust Fund are governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Premium Waiver Benefit

Once you have been Disabled for a period of 60 consecutive calendar days, and if your Disability is covered under the Plan, your monthly premium for Gold Shield will be waived beginning on the first day of the next following month, and continuing for the period during which you are receiving benefits under the Plan for the same Disability.

Disability Benefit Plan

FAQ

Who is eligible to enroll?

All active full-time Permanent Employees and Permanent Intermittent Employees (PIEs) who are members in good standing with CCPOA are eligible to apply. This includes rank-and-file members, supervisors and managers.

Please note, an applicant may be denied coverage in the Disability Benefit Plan based on prior medical conditions. There is a 2-year exclusion for pre-existing conditions (certain conditions may be subject to longer exclusion periods).

What does the Plan cover?

The Disability Benefit Plan provides benefits if you are unable to work due to a disability that is covered under the Plan (not all disabilities are covered under the Plan).

Will my benefits equal my full paycheck?

No. Gold Shield members with non-occupational disabilities will receive a benefit equal to 67% of your base salary (when combined with Other Related Income and Other Income Benefits, as defined in the Disability Benefit Plan SPD, for qualified non-occupational disabilities) up to the maximum benefit of \$6,000 per month.**

After 24 months, if you are severely disabled (cannot perform two or more activities of daily living [ADLs]), your benefit will increase to 75% if, after the second year, you are unable to work at any type of employment.

How quickly can I start using the Plan after I complete enrollment?

You are enrolled in the plan immediately after you successfully complete the enrollment process.

Gold Shield benefits begin after 30 consecutive calendar days from the date you are certified as disabled. (Pre-existing condition limitations apply).

Beneficiary Designation

The beneficiary designation form for this plan is included in the Claim Forms Packet provided from the Trust when you need to file a claim.

Do I have to use my sick leave?

Yes. If at the end of your elimination period (i.e., the beginning of your coverage period) you still have sick leave or Catastrophic Time Bank (CTB) credits left, the plan works like this:

- You would receive the minimum Disability Benefit each month in addition to your full pay provided by your sick leave or CTB.
- When these credits are gone, your full Disability Benefit kicks in—paying 67% of your base pay up to \$6,000 for Gold Shield, when combined with other disability income.

Do I have to use all my Annual Leave?

- **No.** You may choose to use your annual leave during the 30 day elimination period, but it is not required.

Are premiums based on my age?

No. Whether you are 21 or 65, your premiums remain the same.

What is Excluded?

A few examples of non-covered disabilities include: a mental illness or condition, attempted suicide, injury occurring during the commission of a crime, and disabilities resulting from driving under the influence.

The *Gold Shield Summary Plan Description* is the complete plan documentation, and is available for download from our website, ccpoabtf.org.

Helps while your Workers' Comp benefits are pending

Gold Shield provides you with living expense benefits, equal to a percentage of your income, while your case is processing. If you win your case, you'll receive a back-pay award from Workers' Compensation which you would use to repay this provisional benefit (less each month's minimum benefit).

If you lose your case and you are otherwise eligible for benefits, you keep every dime.

Gold Shield provides a 75% benefit for non-occupational disabilities

If you can not work any occupation and the injury or illness is so severe that after 24 months of benefits, you cannot perform two basic "Activities of Daily Living" (includes bathing, dressing, toileting, transferring, continence and feeding).
