| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall deductible? | \$0. | See the Common Medical Events chart below for your costs for services this plan covers. |
| Are there services covered before you meet your deductible? | Yes. <u>Preventive care</u> and services listed in your complete terms of coverage. | This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services without cost-sharing</u> and before you meet your deductible. See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits . |
| Are there other deductibles for specific services? | Yes. Prescription drugs -- \$50 per individual / \$150 per family. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. |
| What is the out-of-pocket limit for this plan? | \$1,500 per individual / \$4,500 per family for participating providers. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | <u>Copayments</u> for certain services, <u>premiums</u> , and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a network provider? | Yes. See blueshieldca.com/fap or call 1-800-257-6213 for a list of <u>network providers</u> . | This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist? | Yes. | This plan will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> . |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
